POINTS REWARDS PROGRAM

Let this new program help you save for the big ticket items YOU have been dreaming of!

Each customer will receive a Points Rewards Card.

This card will be stamped by the cashier only when the customer makes advertised **POINTS REWARDS PURCHASES & EVENTS**.

These special POINTS REWARDS PURCHASES will be 5 points for every \$10 in regular price merchandise purchased (not including the items listed below). Points may also be earned by attending advertised special events, classes, etc.

Watch our website and newsletter for the
POINTS REWARDS PURCHASES AND SPECIAL EVENTS.

Cards are non-transferrable (but may be given to your significant other to buy you a gift!) Points on cards may only be redeemed through the expiration date on that card. You may use the points for a deposit on one of the items below and pay the balance later.

When your card is full, you may start another card. Fill as many as you want. Cards may be combined for bigger discounts.

Each full card of 250 points = a \$50 discount and may be used toward:

- Accessory priced at \$200+
- Embroidery or My Label Software
- AccuQuilt GO! Fabric Cutting System
- Quilting Cruise (Jan. 15, 2011 Caribbean)
